

North Atlantic Right Whale Ship Strike Management Areas and Zones

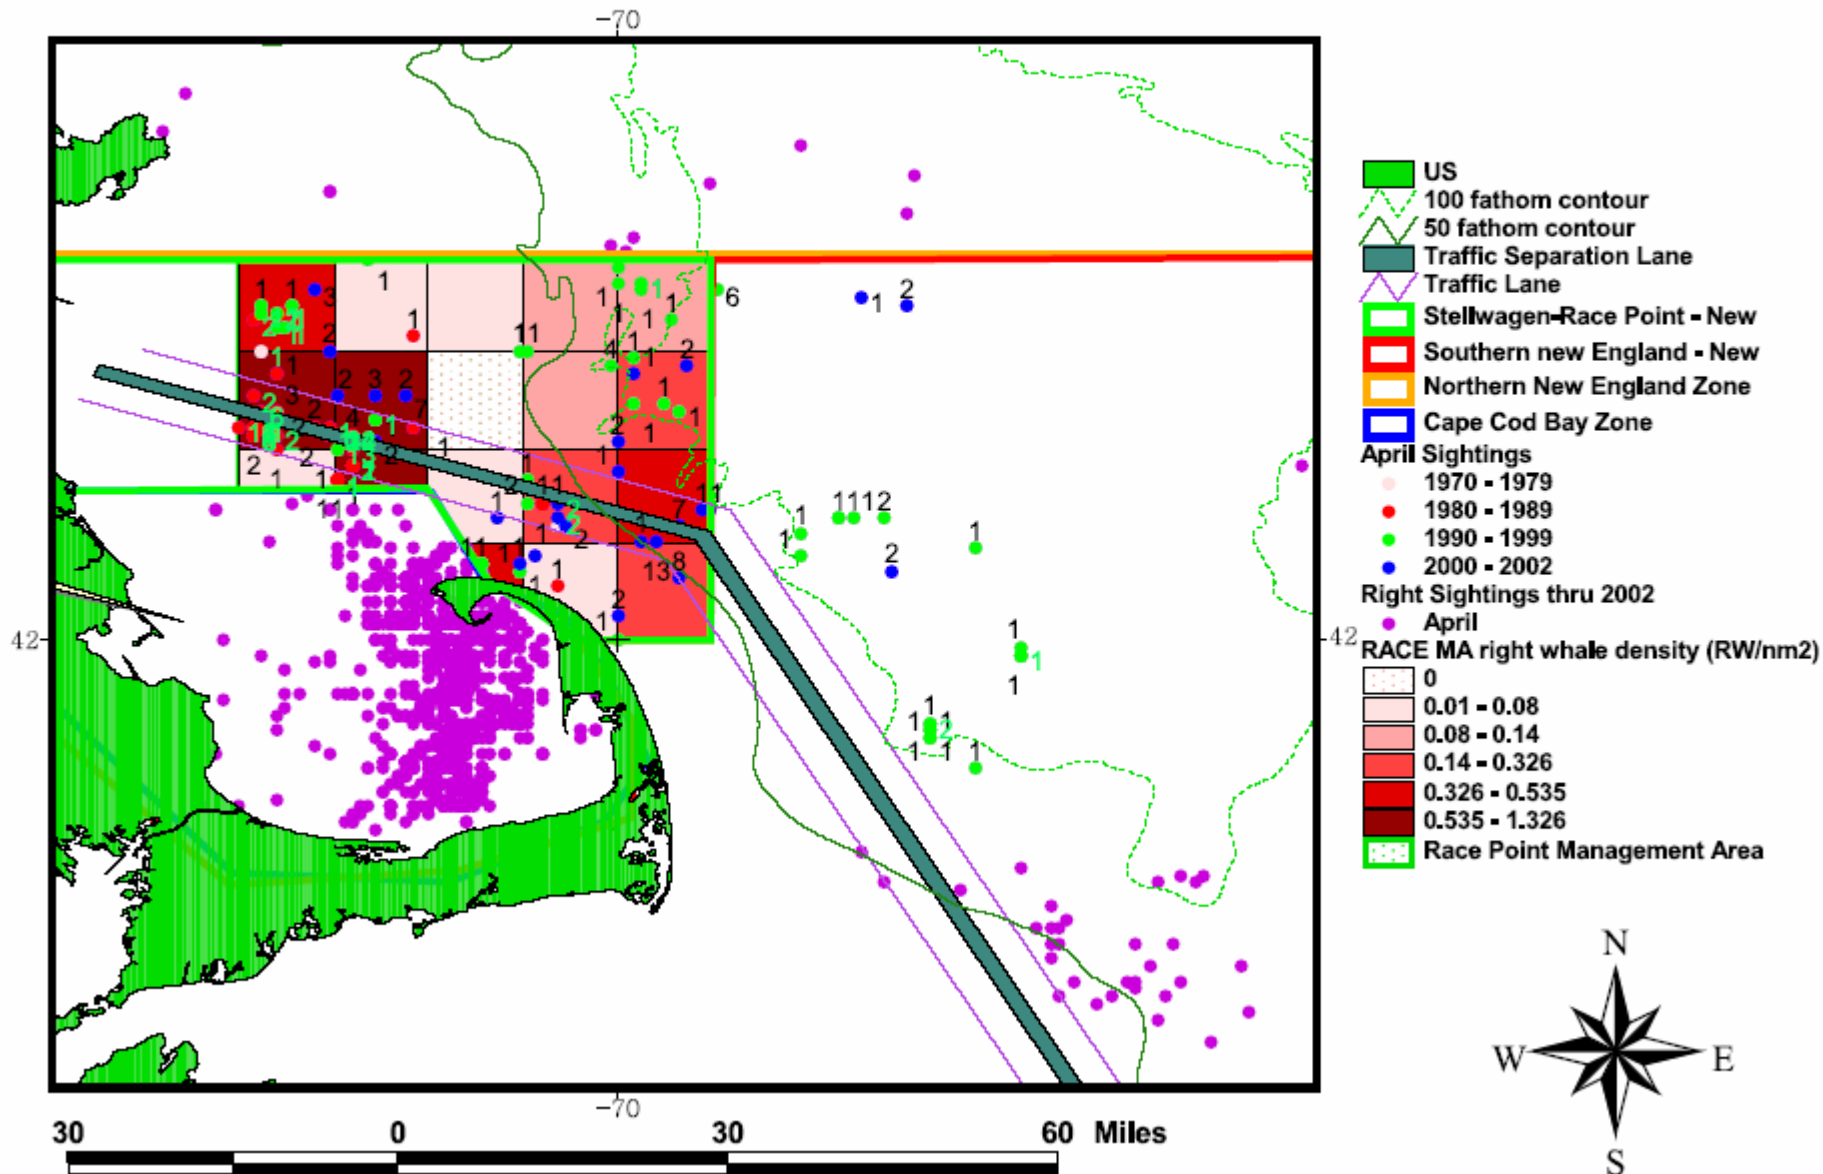

Off Race Point

- **Seasonal Management Area (SMA)**
- **1 April –15 May**
- **Speed Reduction Area or Route Around**
- **Dynamic management applicable (yr round) outside SMA**

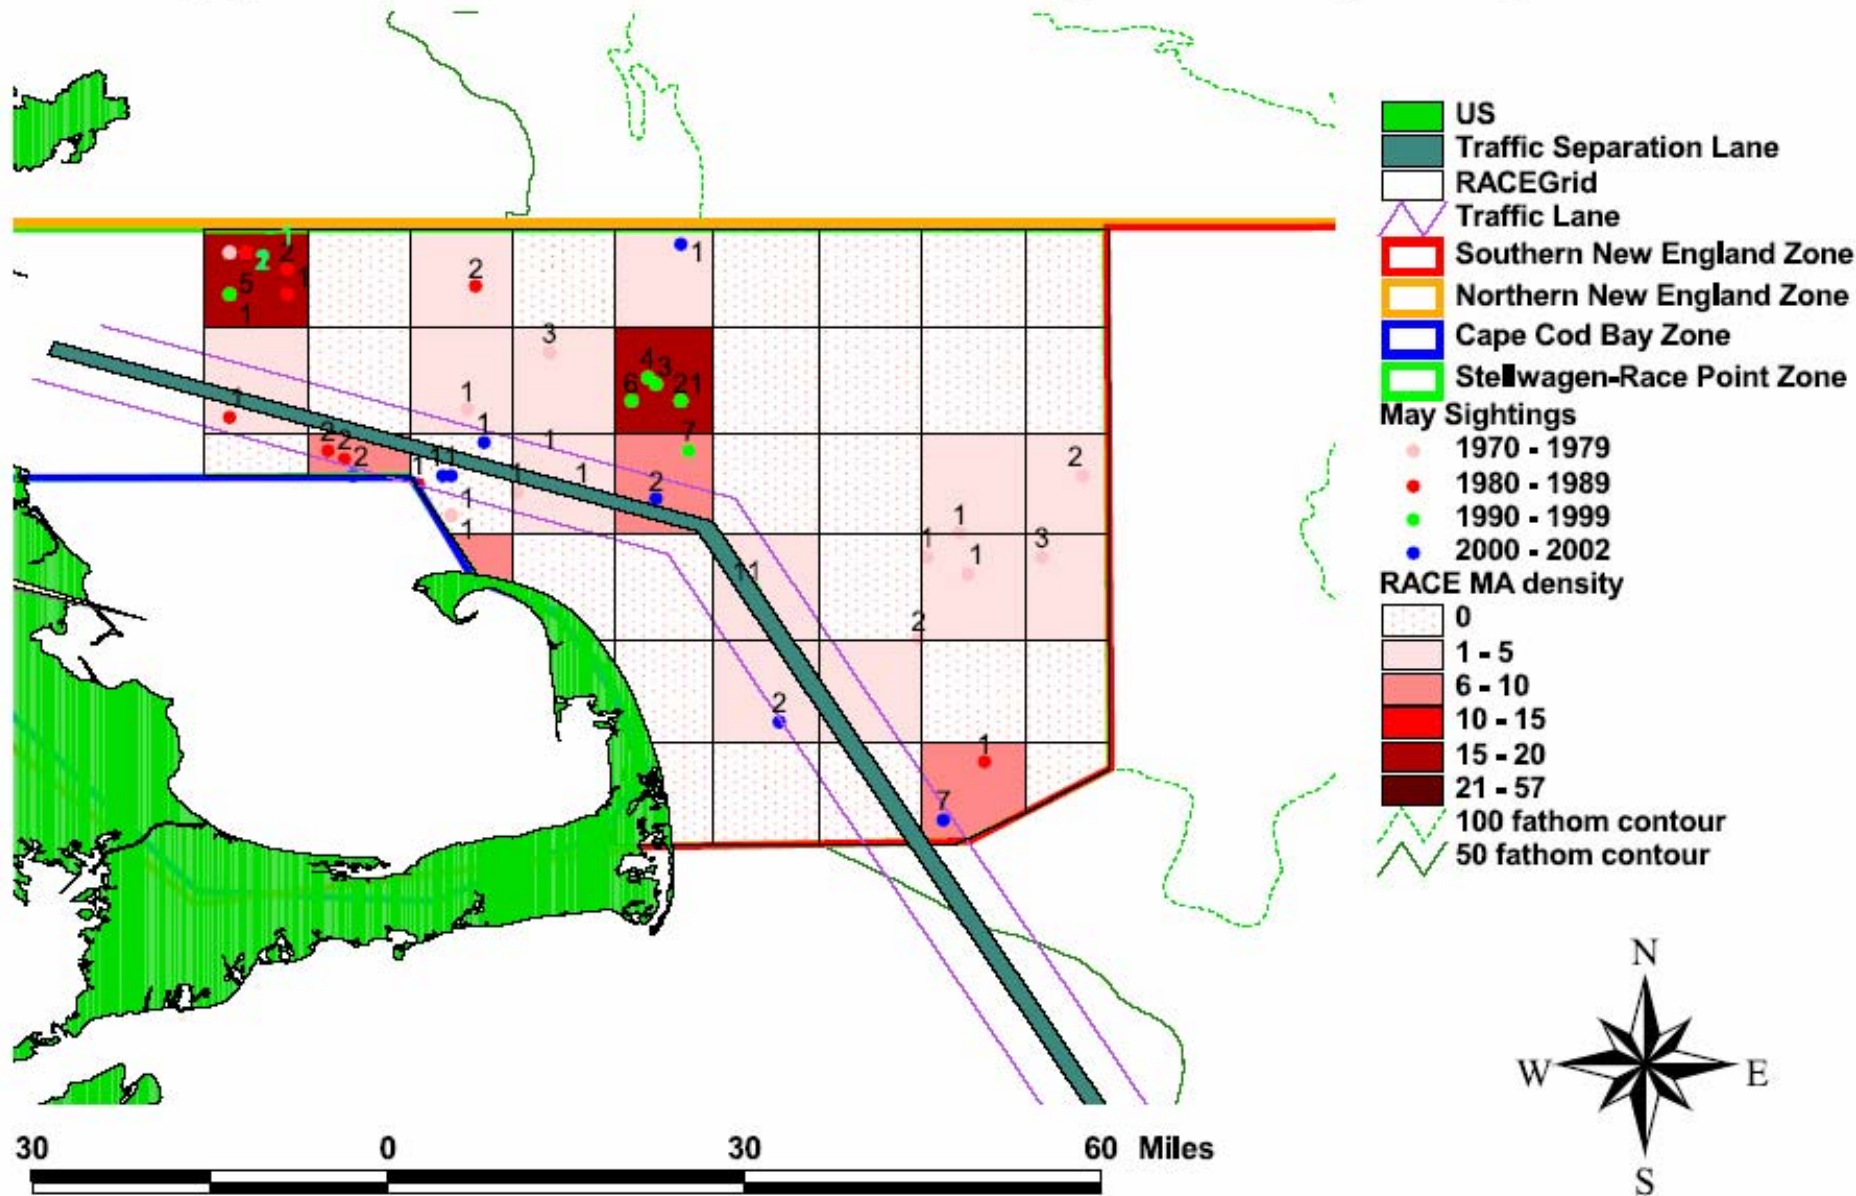

Race Point-Stellwagen Bank MA RW sightings - by year, and overall "density" for April only

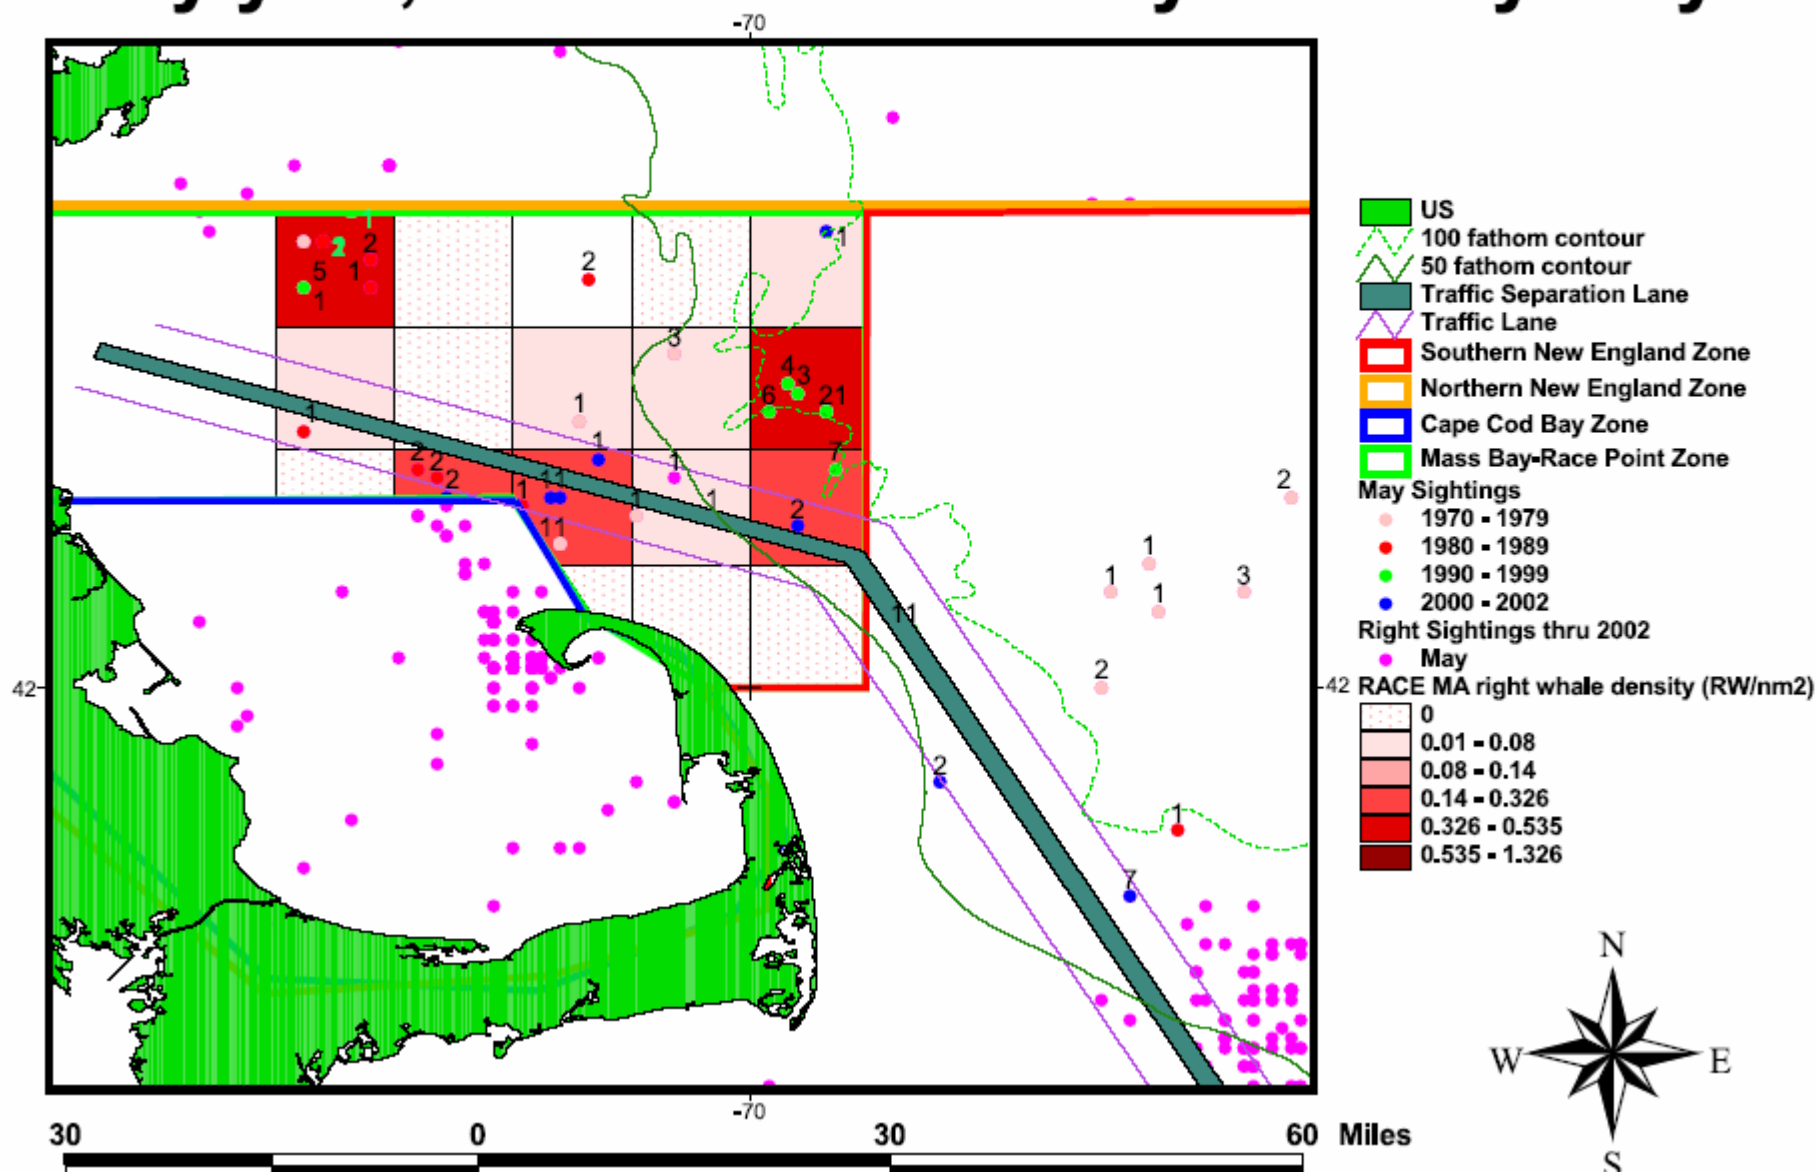

Race Point-Stellwagen Bank MA (new) RW sightings - by year, and overall "density" for April only

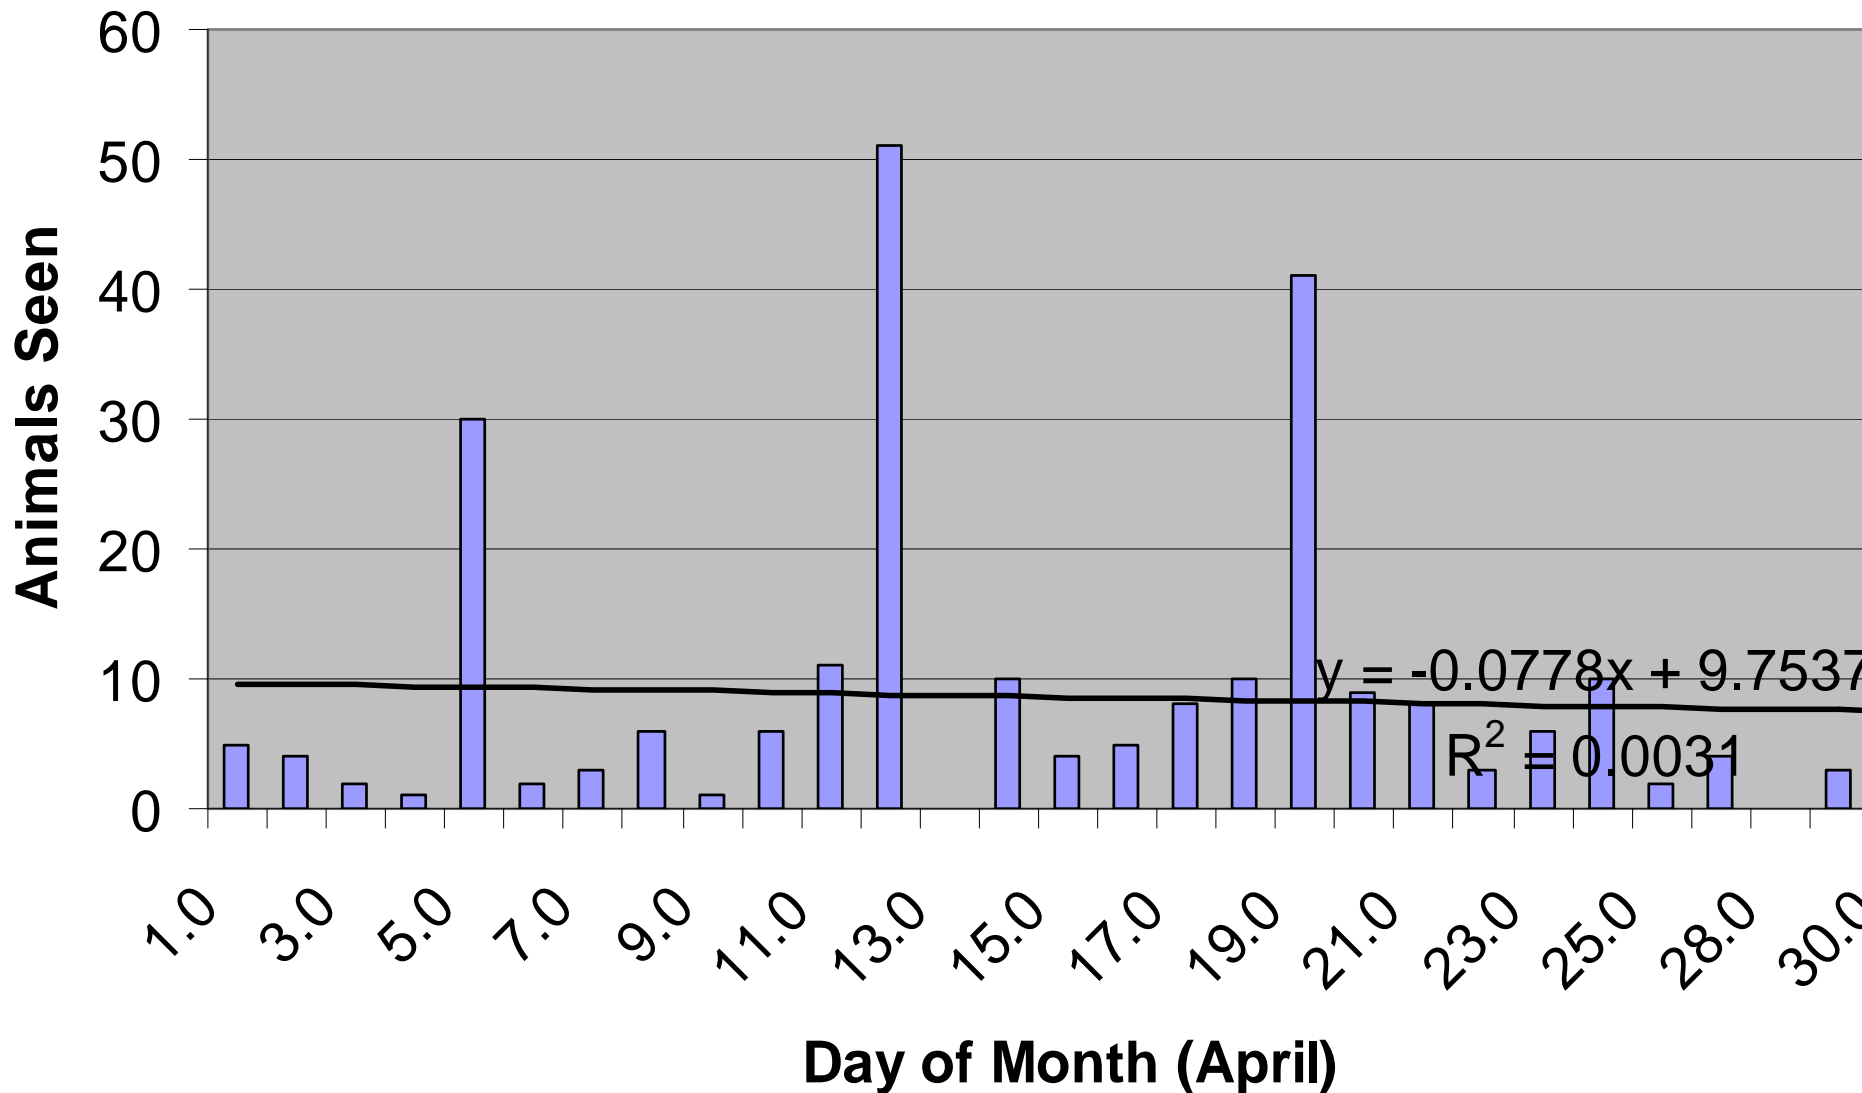

Race Point-Stellwagen Bank MA RW sightings - by year, and overall "density" for May only

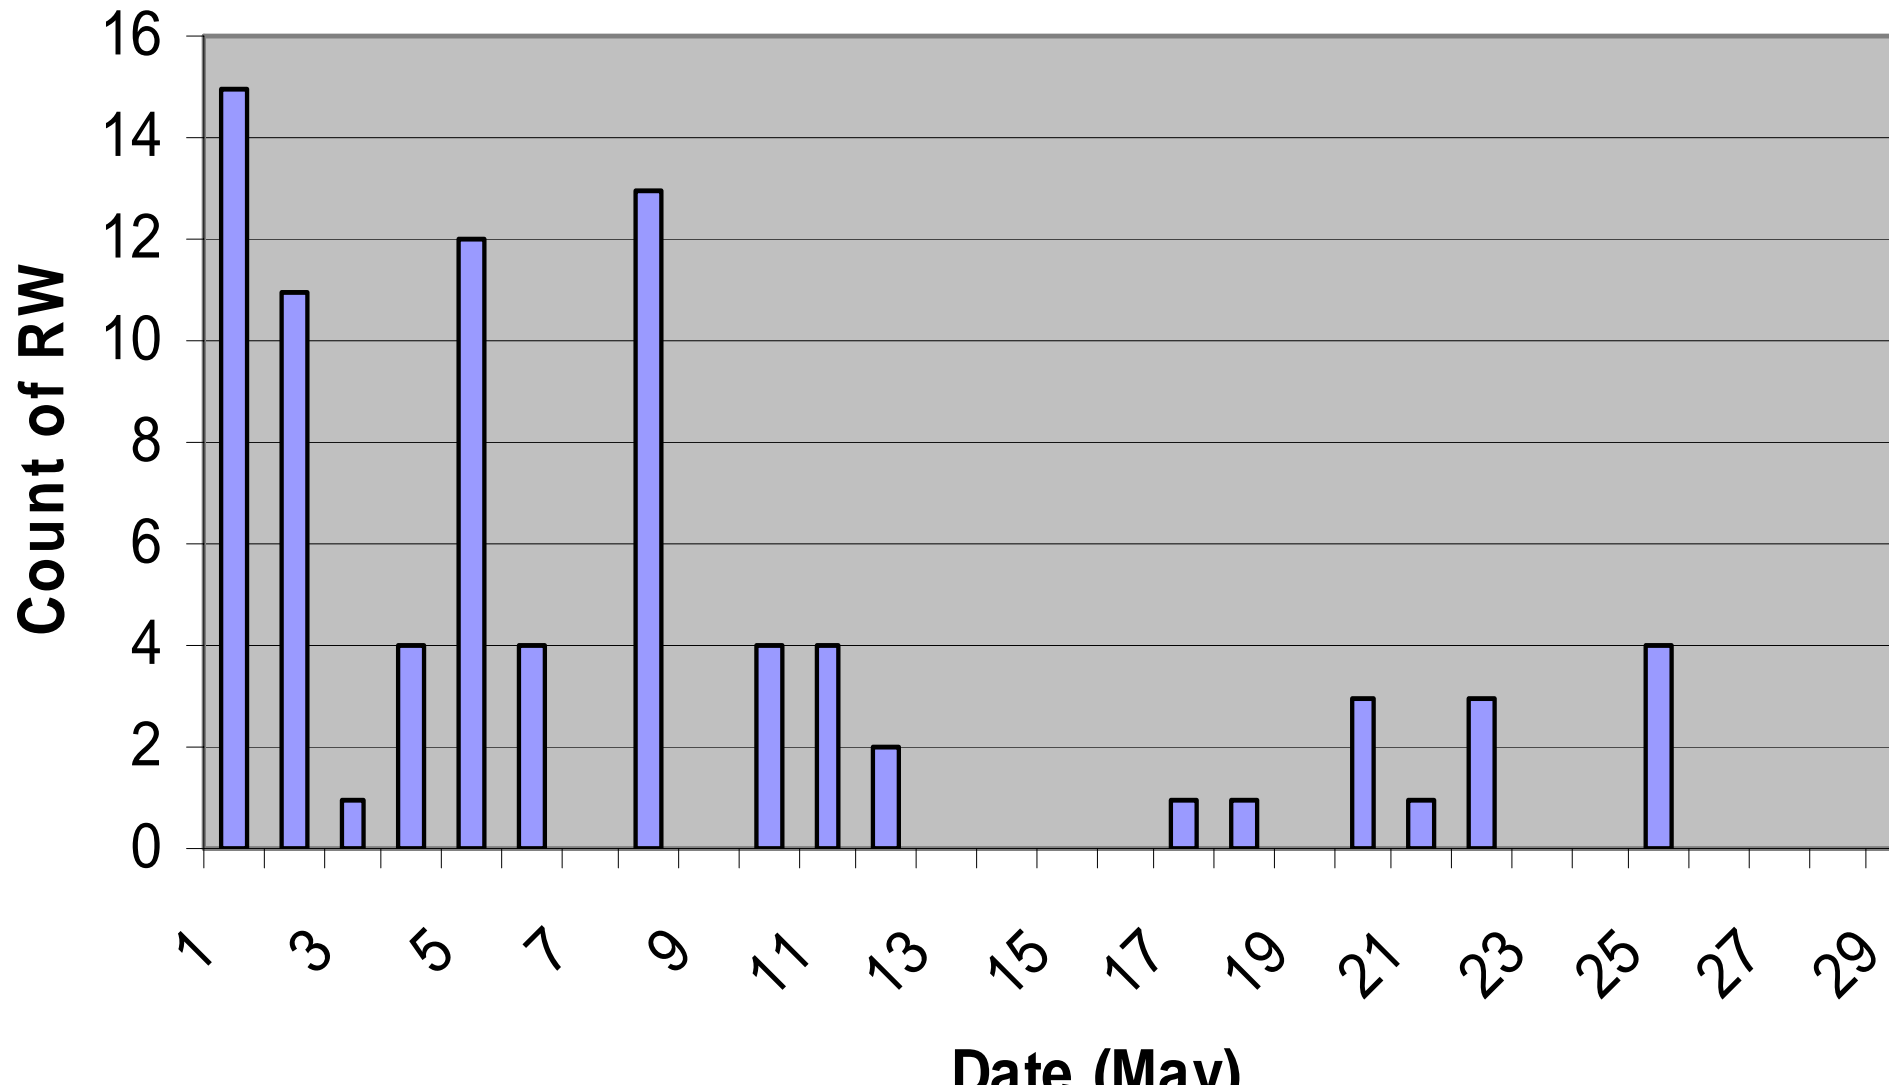

Race Point-Stellwagen MA RW sightings - by year, and overall "density" for May only

Right Whales Sighted in the Race Point MA by day for April, 1970-2002

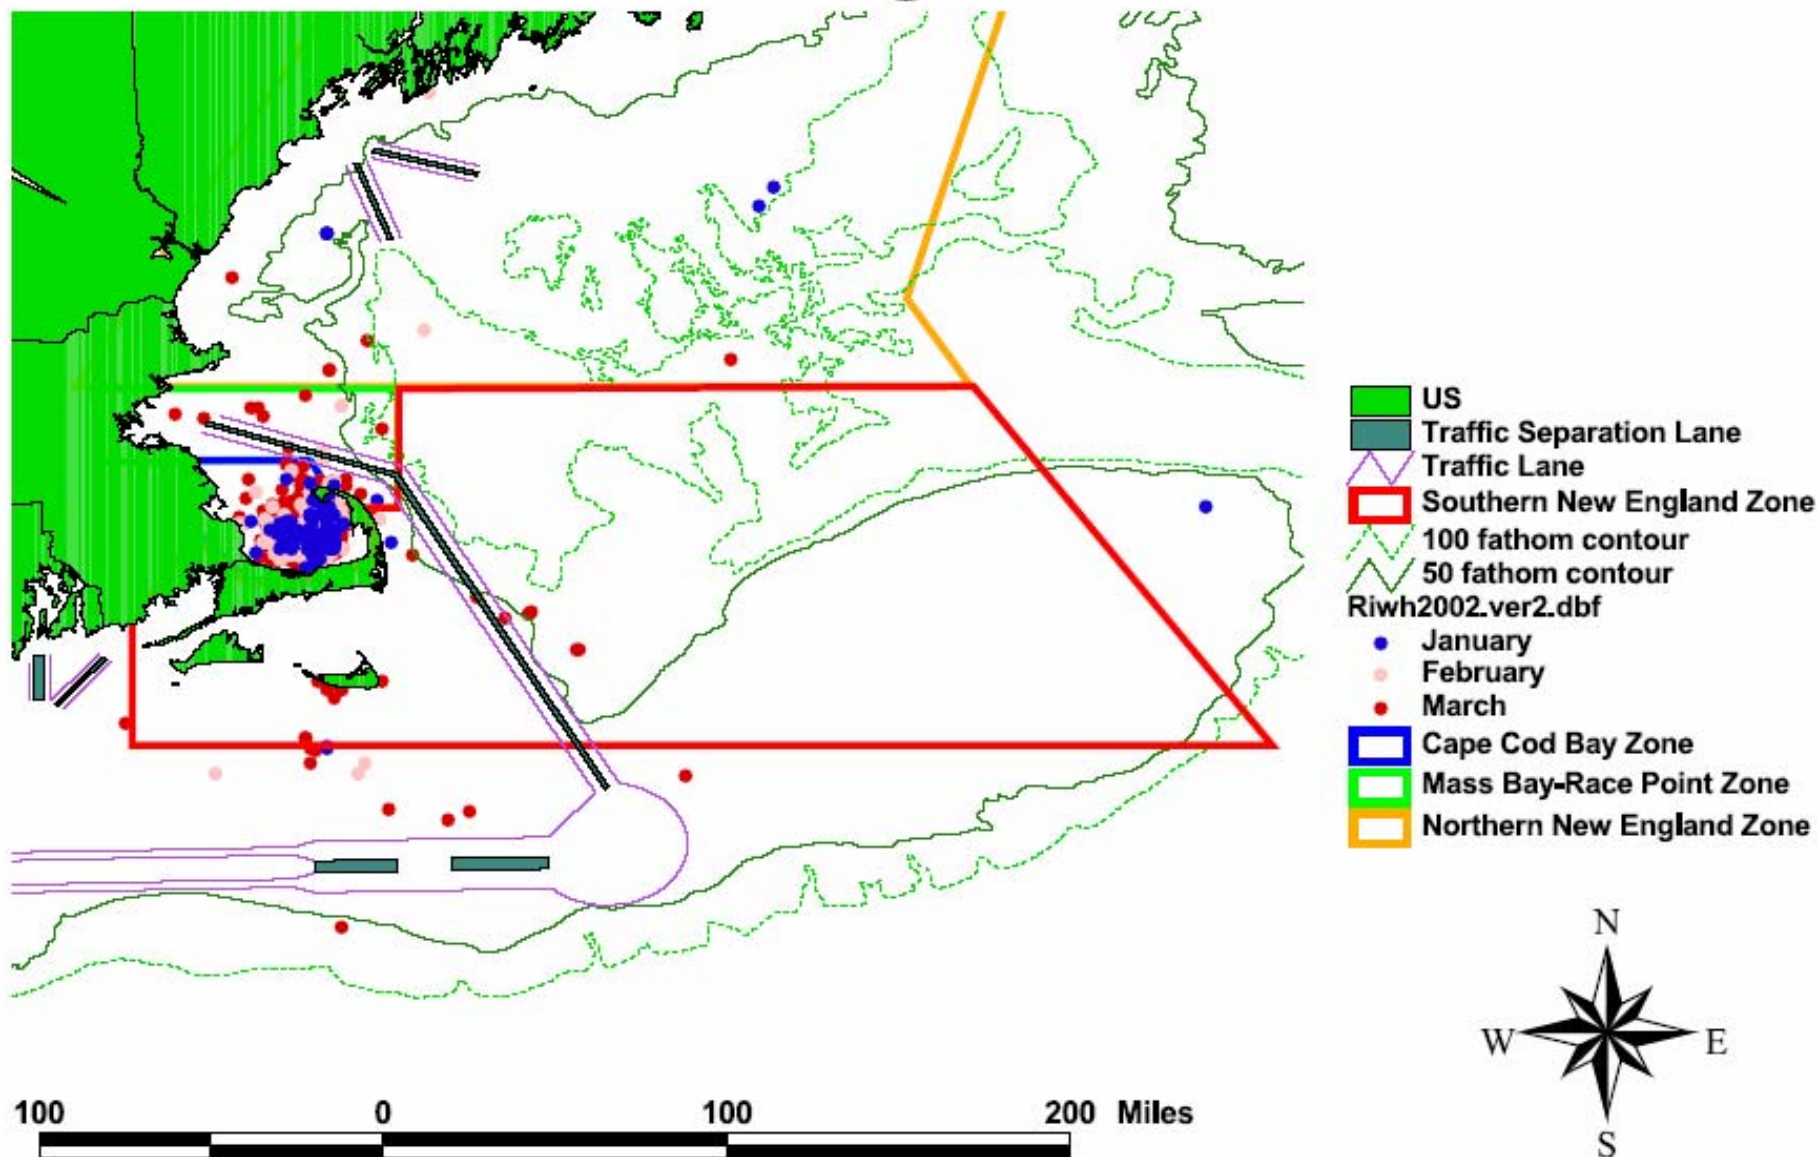

Right Whales in the Race Point MA during May 1970-2002

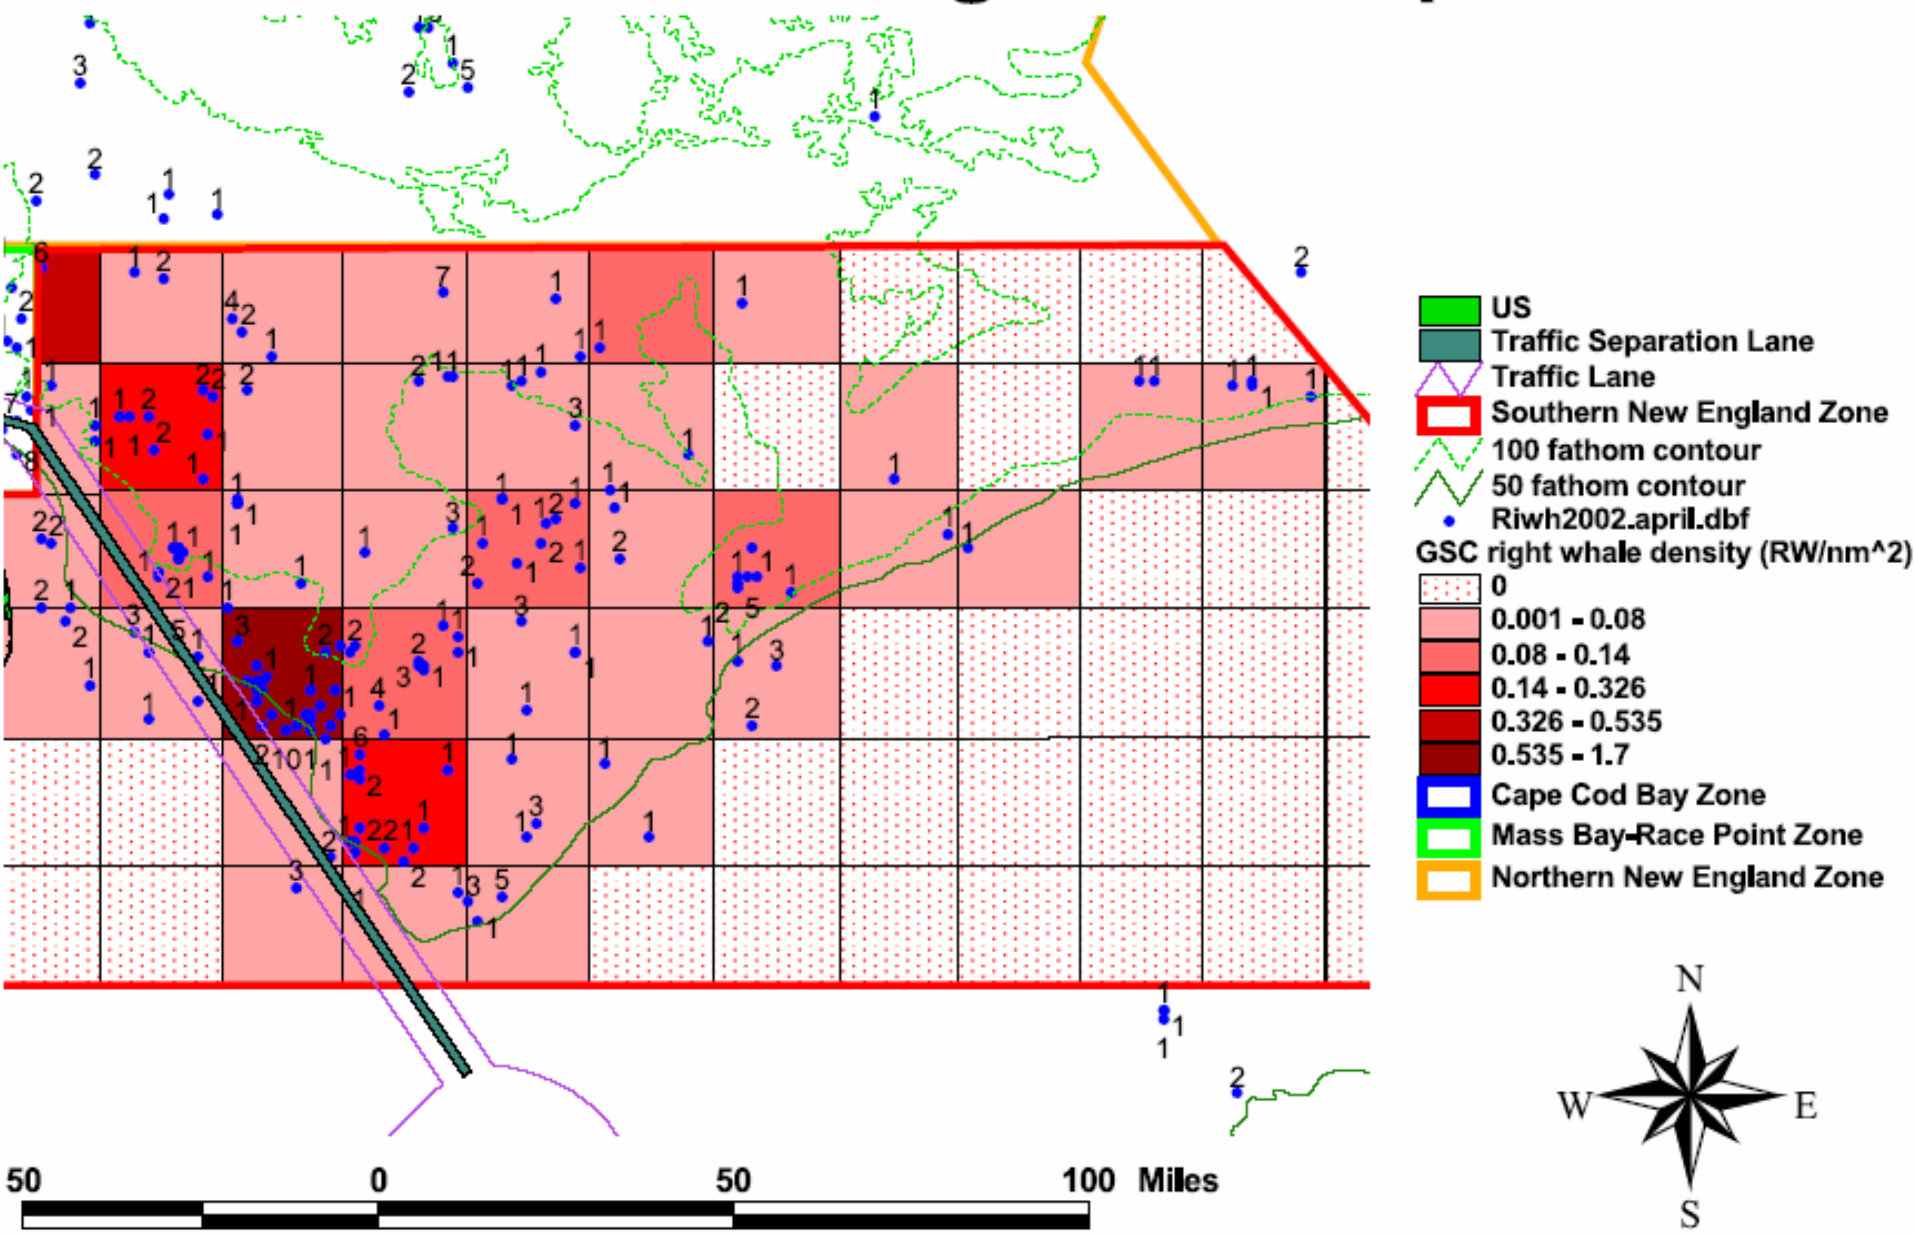

Great South Channel

- **Seasonal Management Area (SMA)**
- **1 April – 31 July**
- **Area To Be Avoided (≥ 300 grt)**
- **≥ 65 ft and < 300 grt Speed Reduction Area**
- **Dynamic management applicable (yr round) outside SMA**

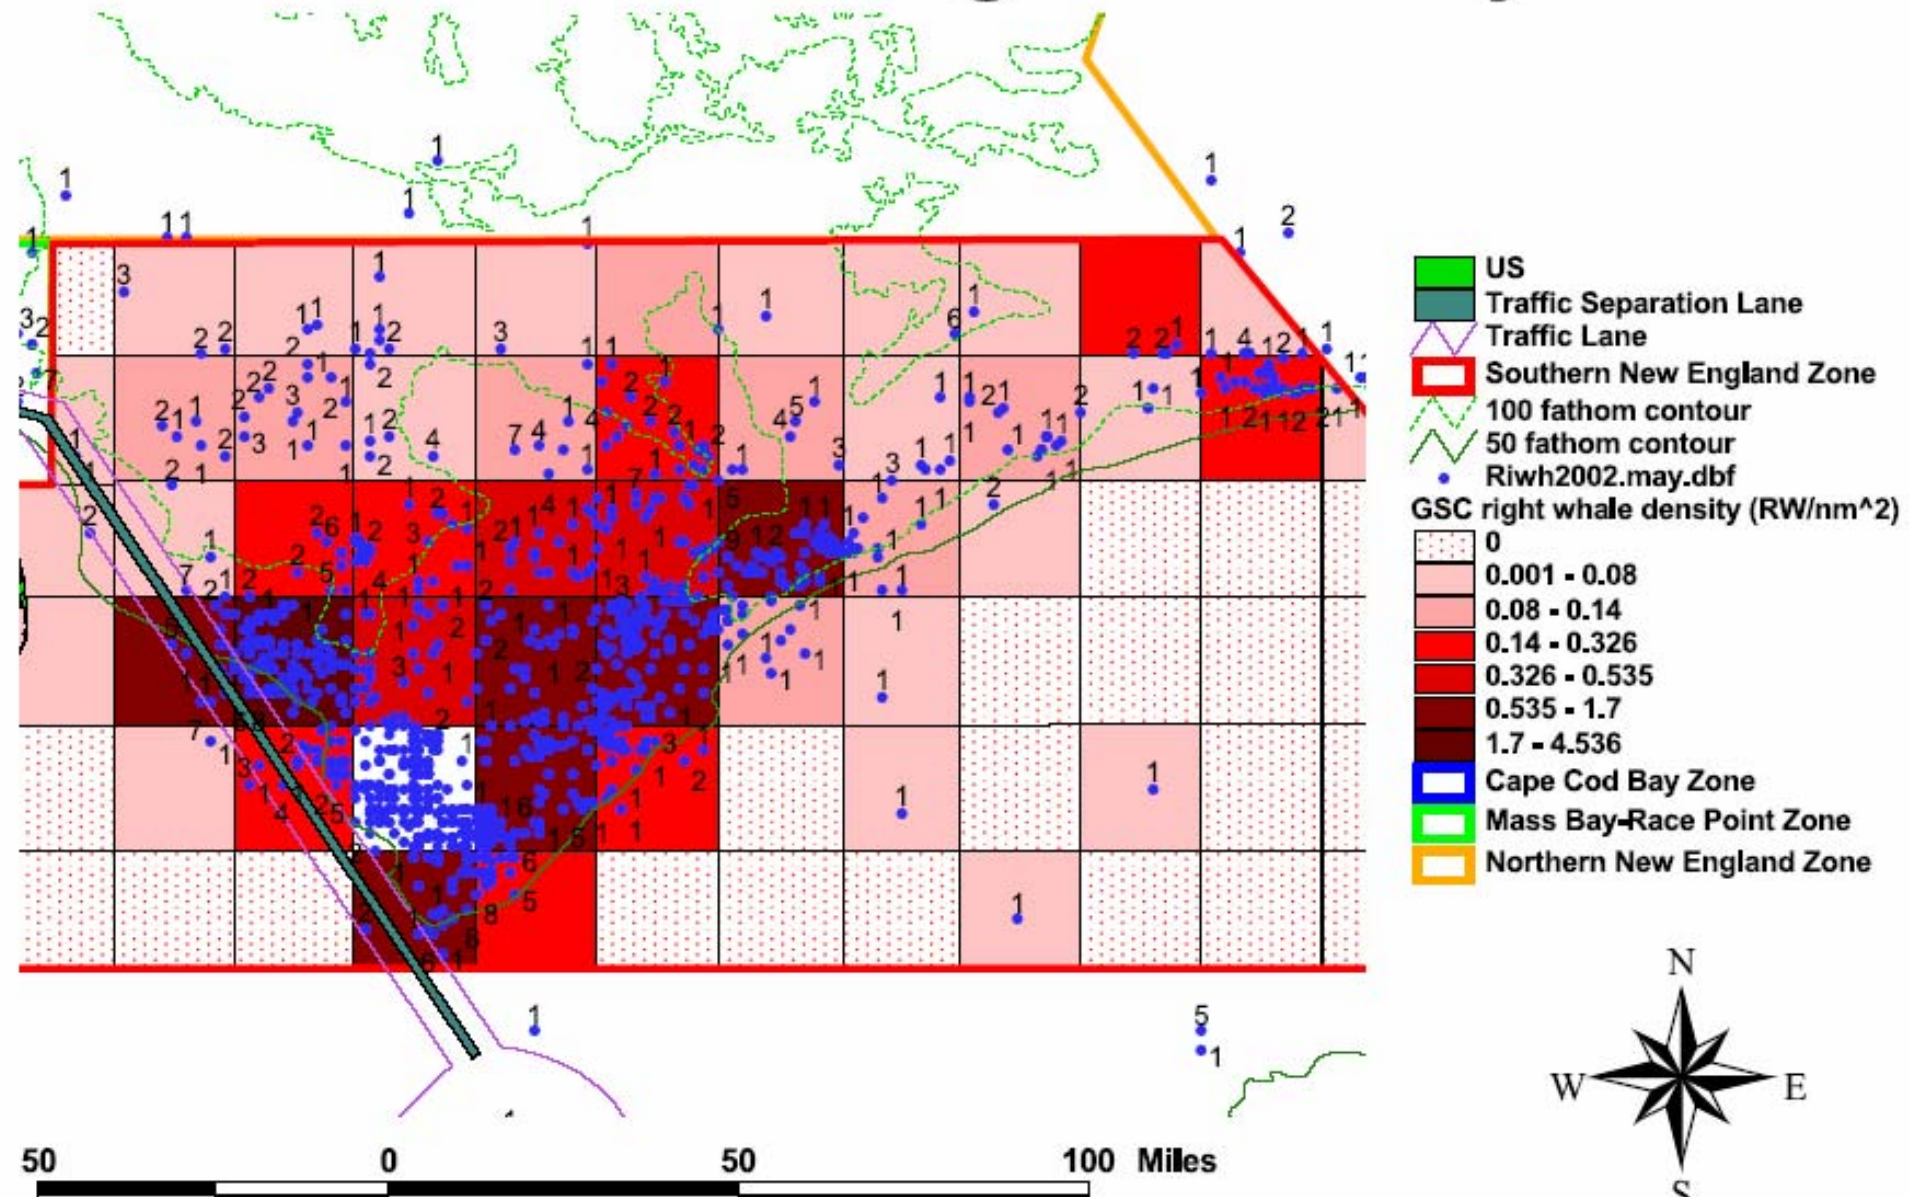

North Atlantic Right Whale Sightings from the 1970's through 2002 - Jan-March

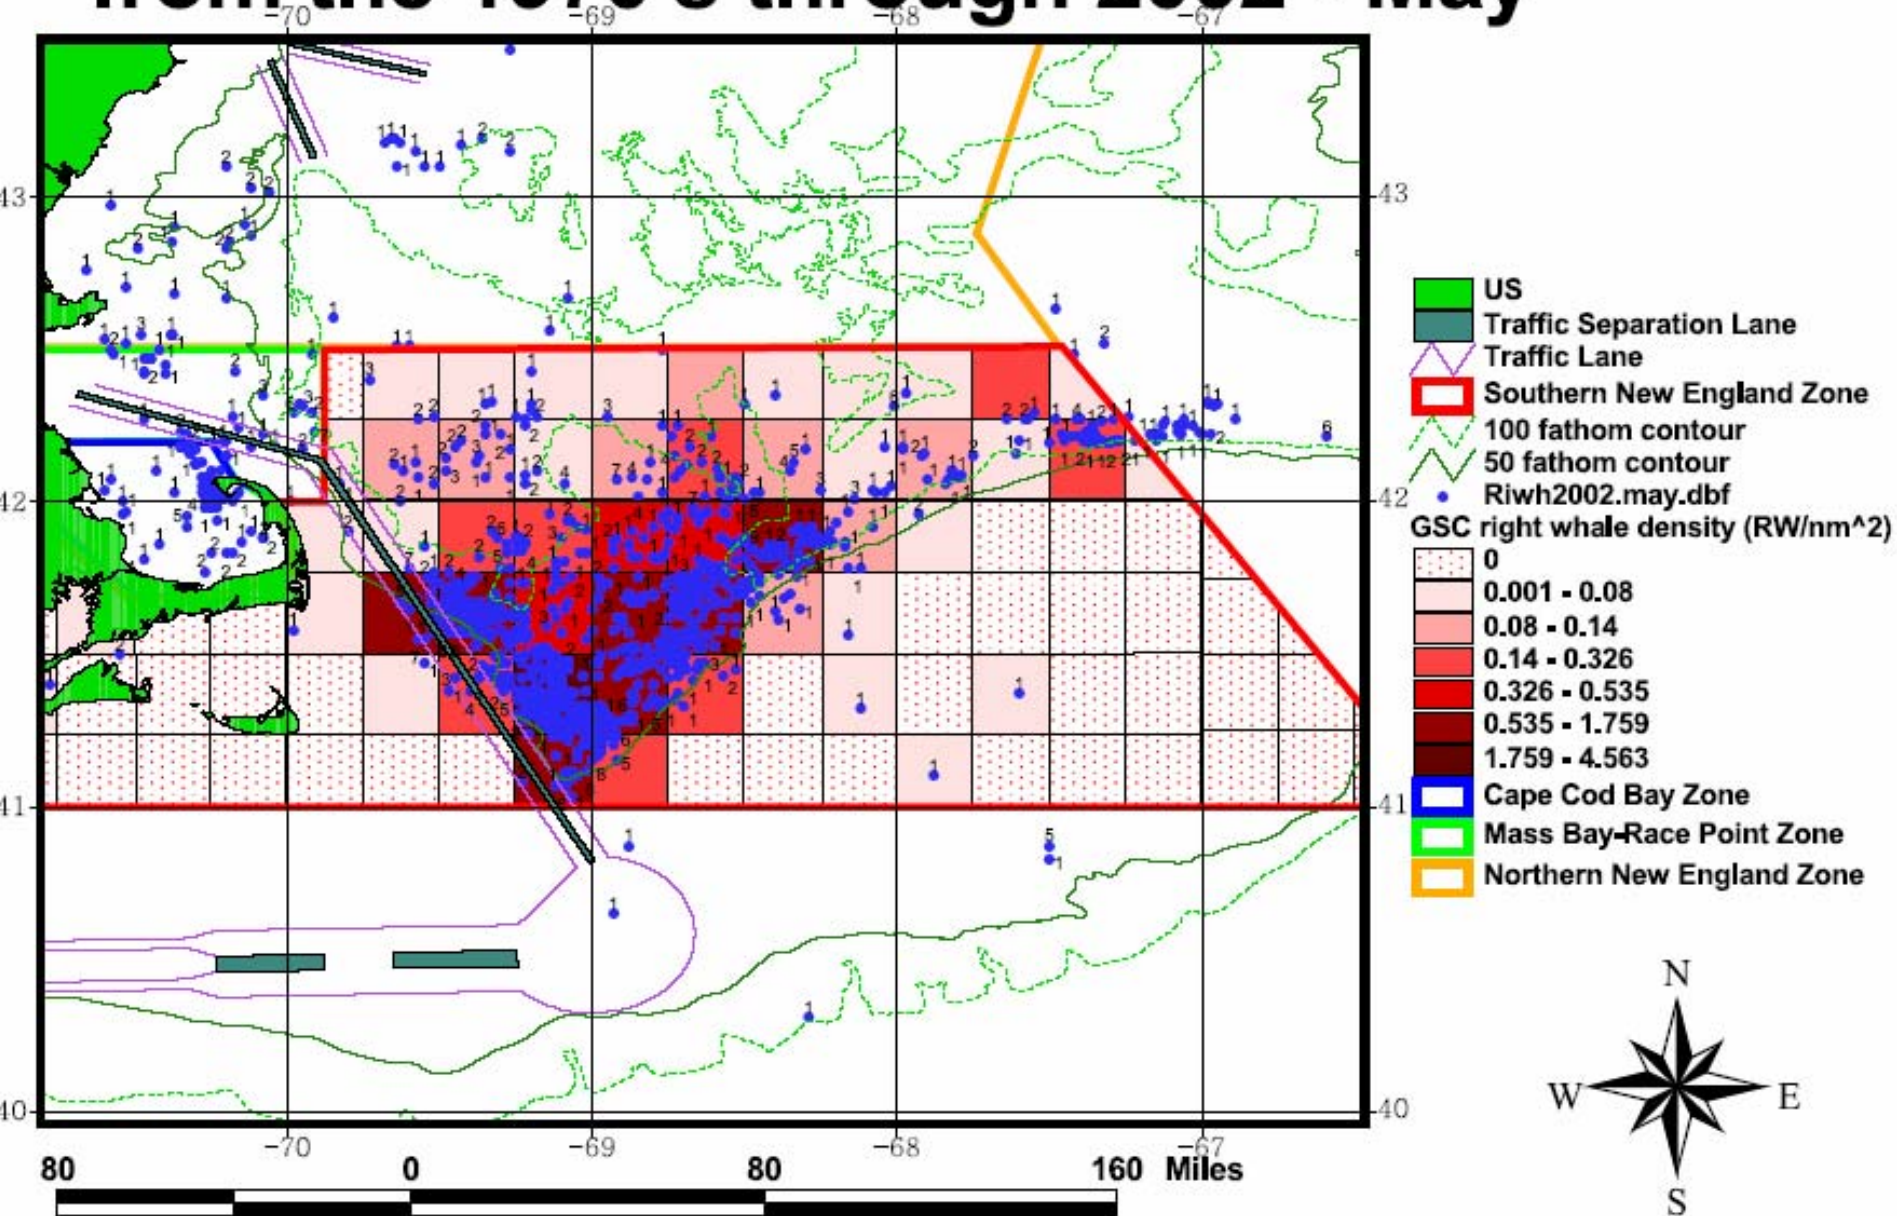

North Atlantic Right Whale Sightings from the 1970's through 2002 - April

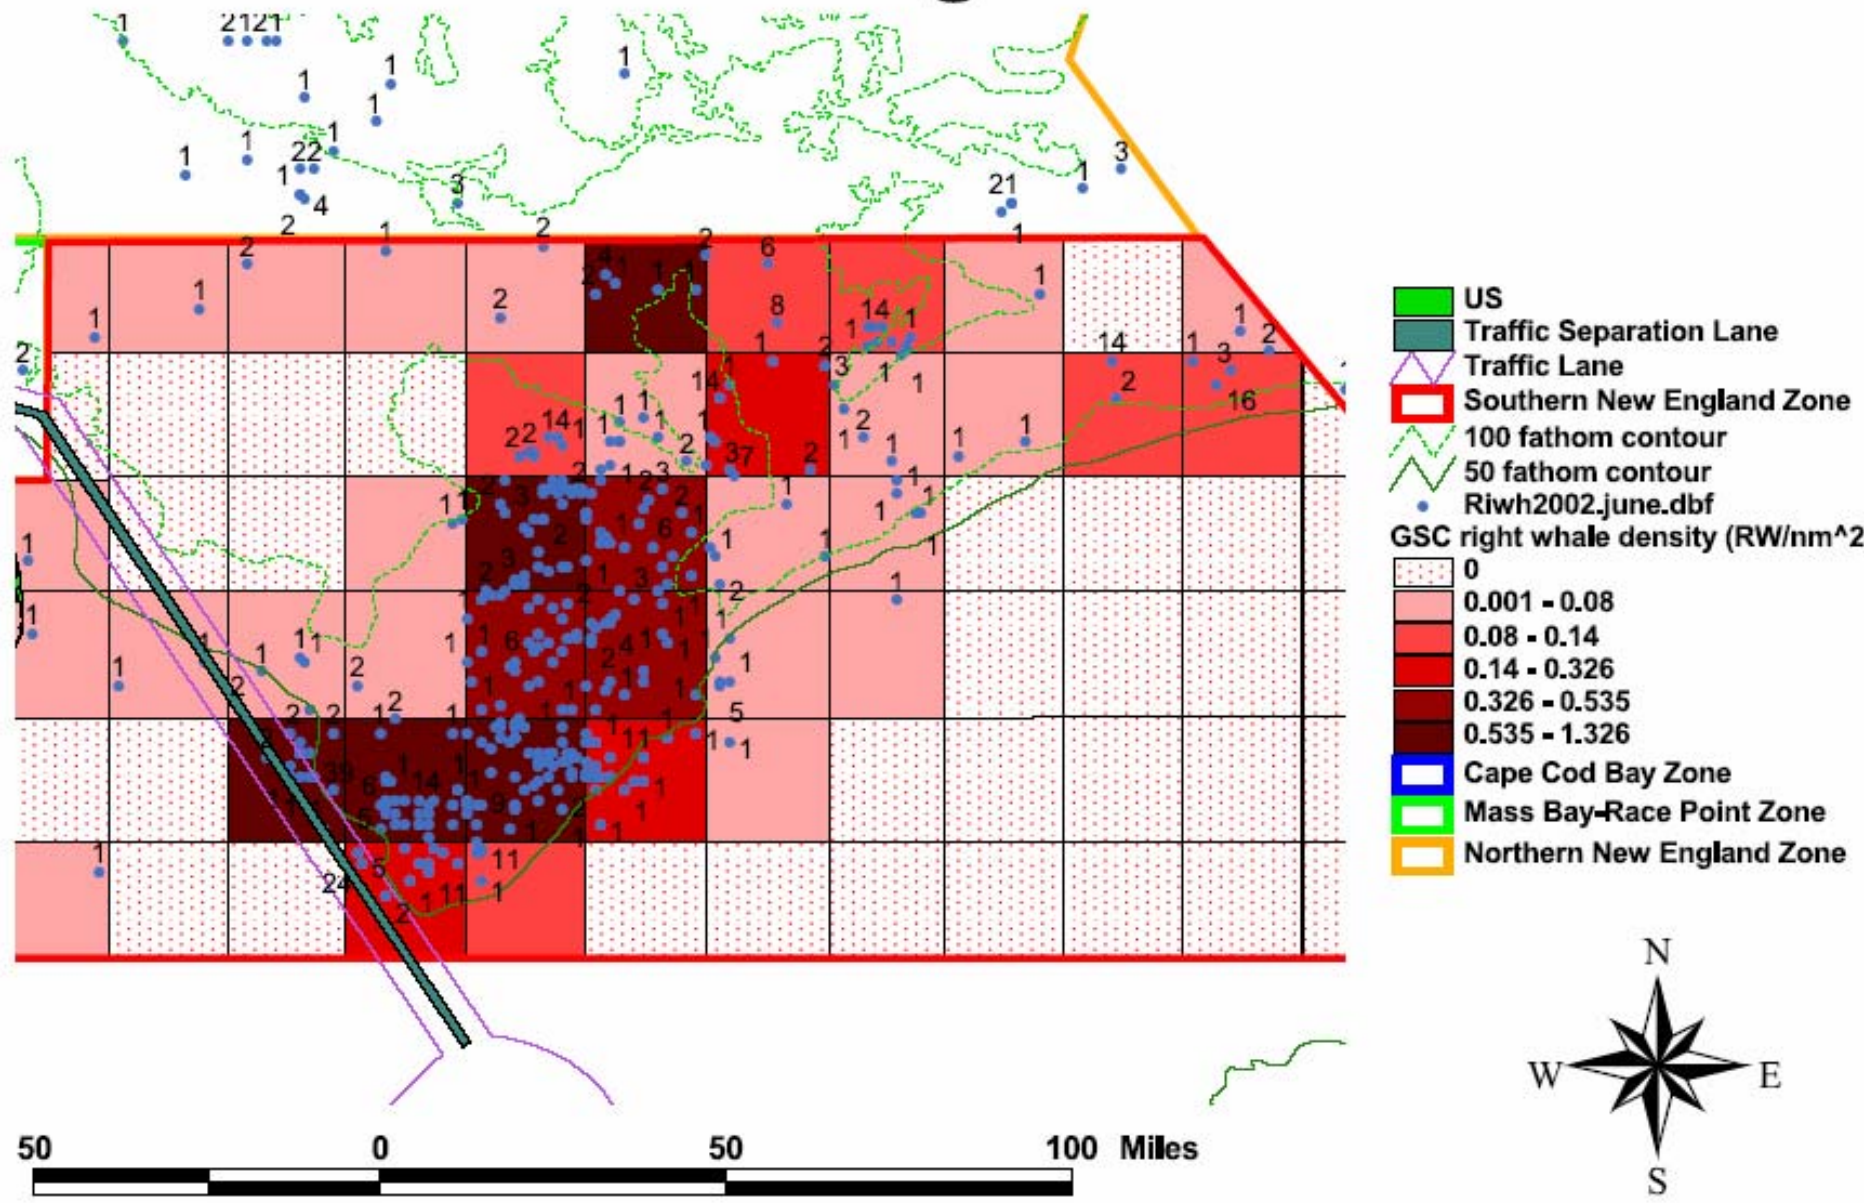

North Atlantic Right Whale Sightings from the 1970's through 2002 - May

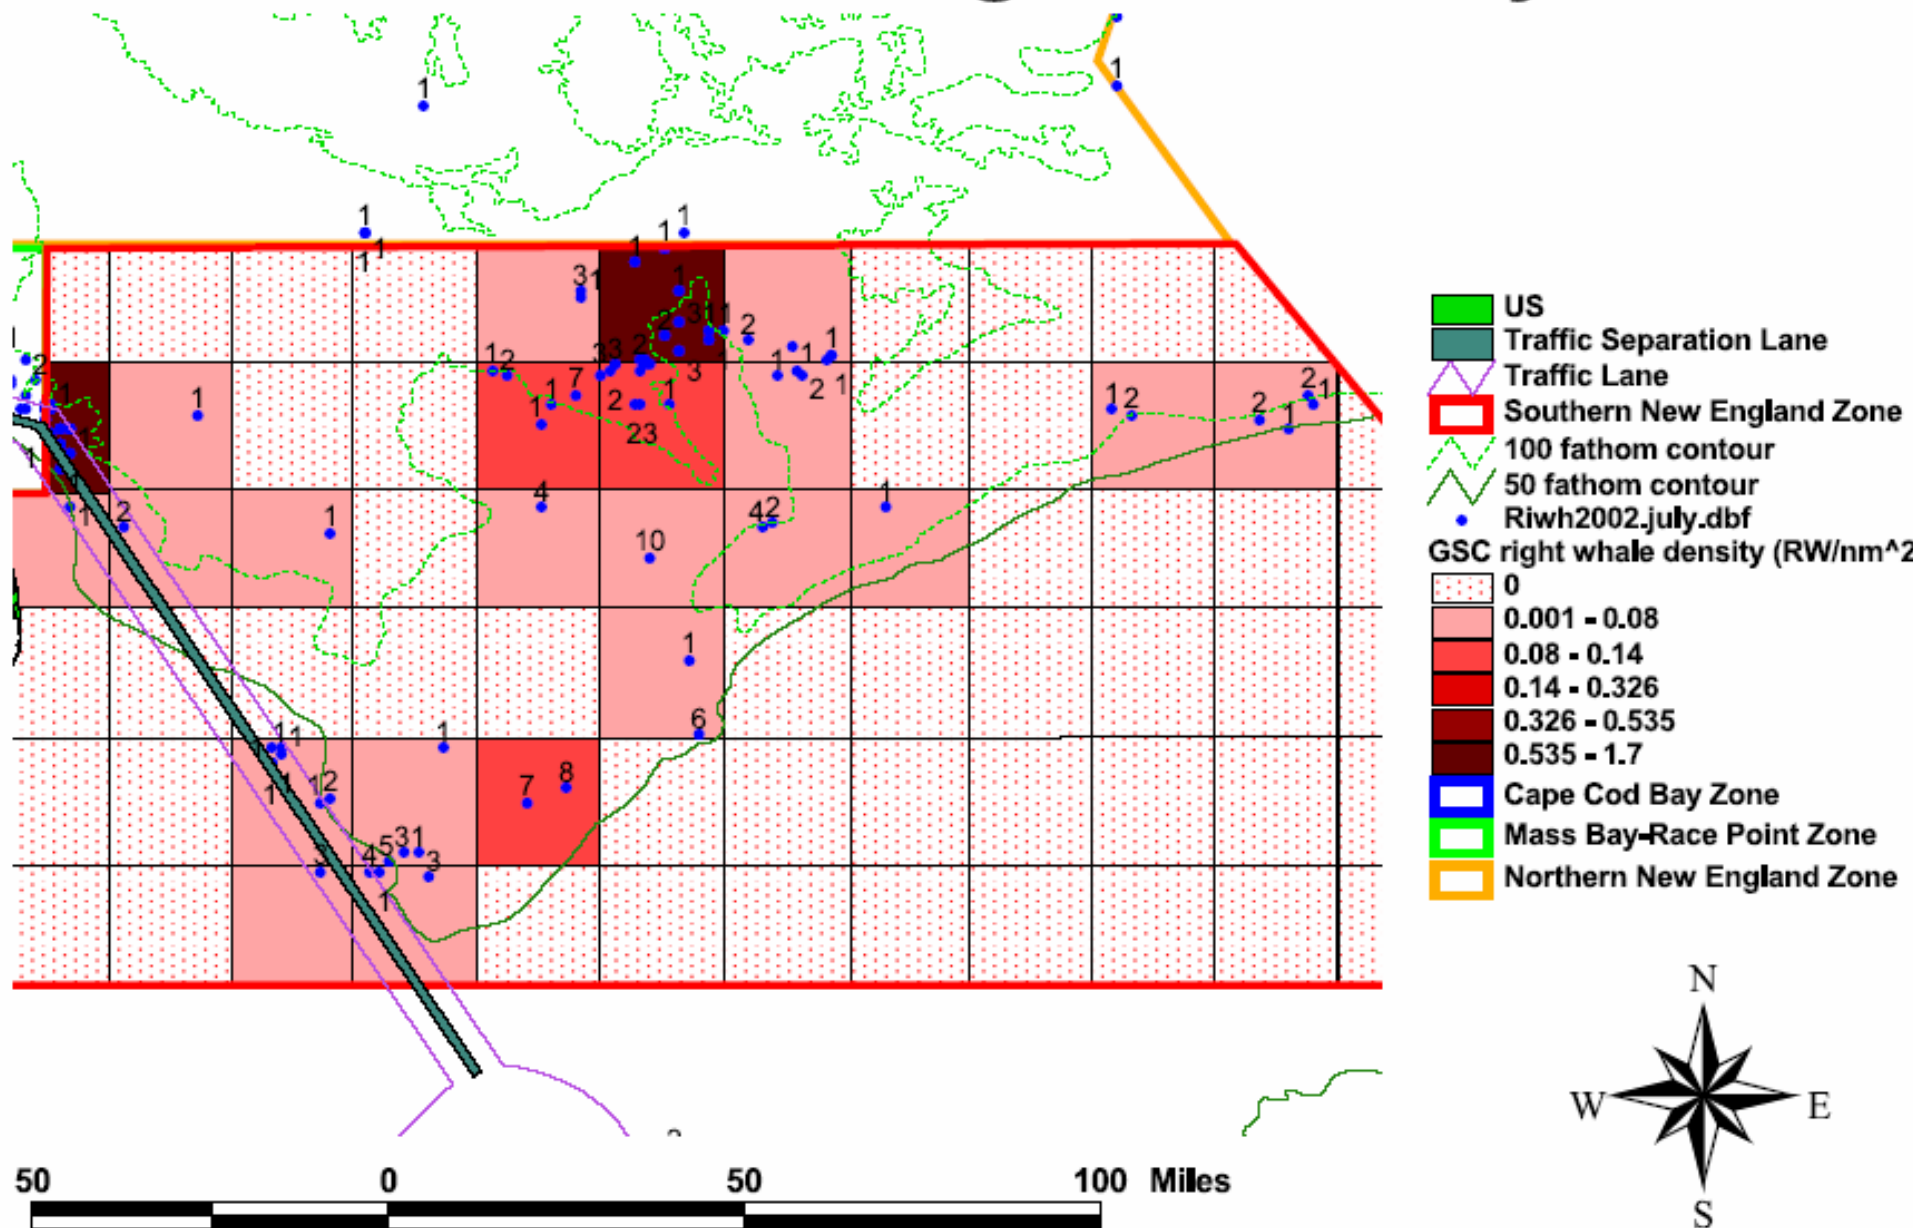

North Atlantic Right Whale Sightings from the 1970's through 2002 - May

North Atlantic Right Whale Sightings from the 1970's through 2002 - June

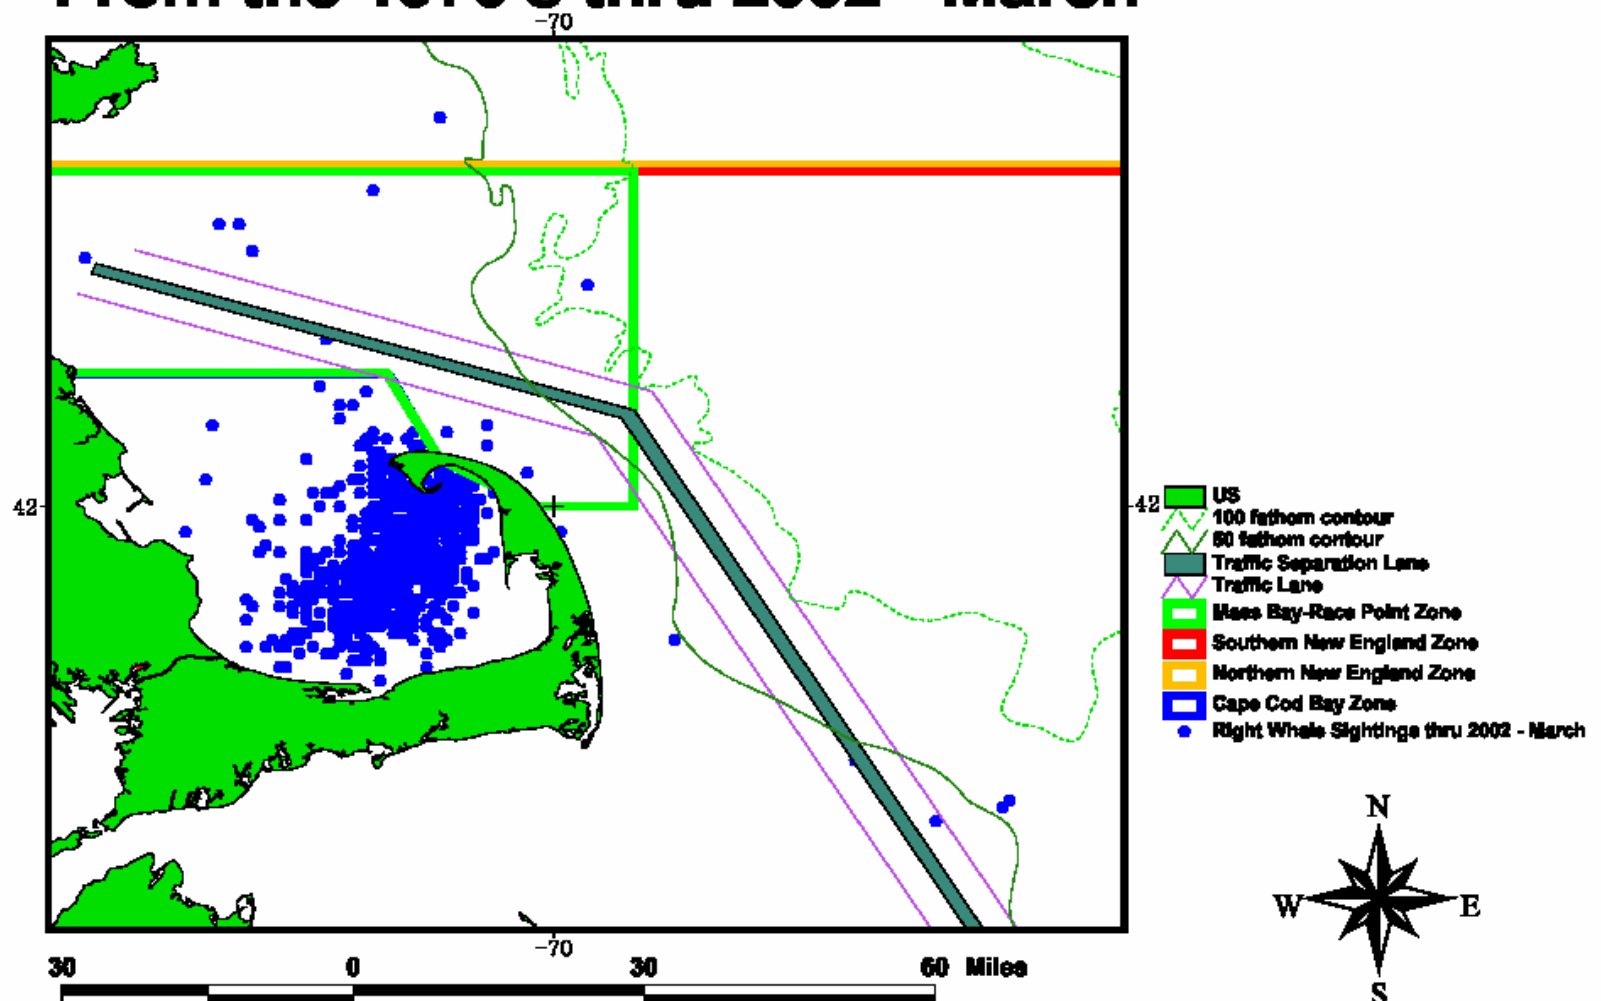

North Atlantic Right Whale Sightings from the 1970's through 2002 - July

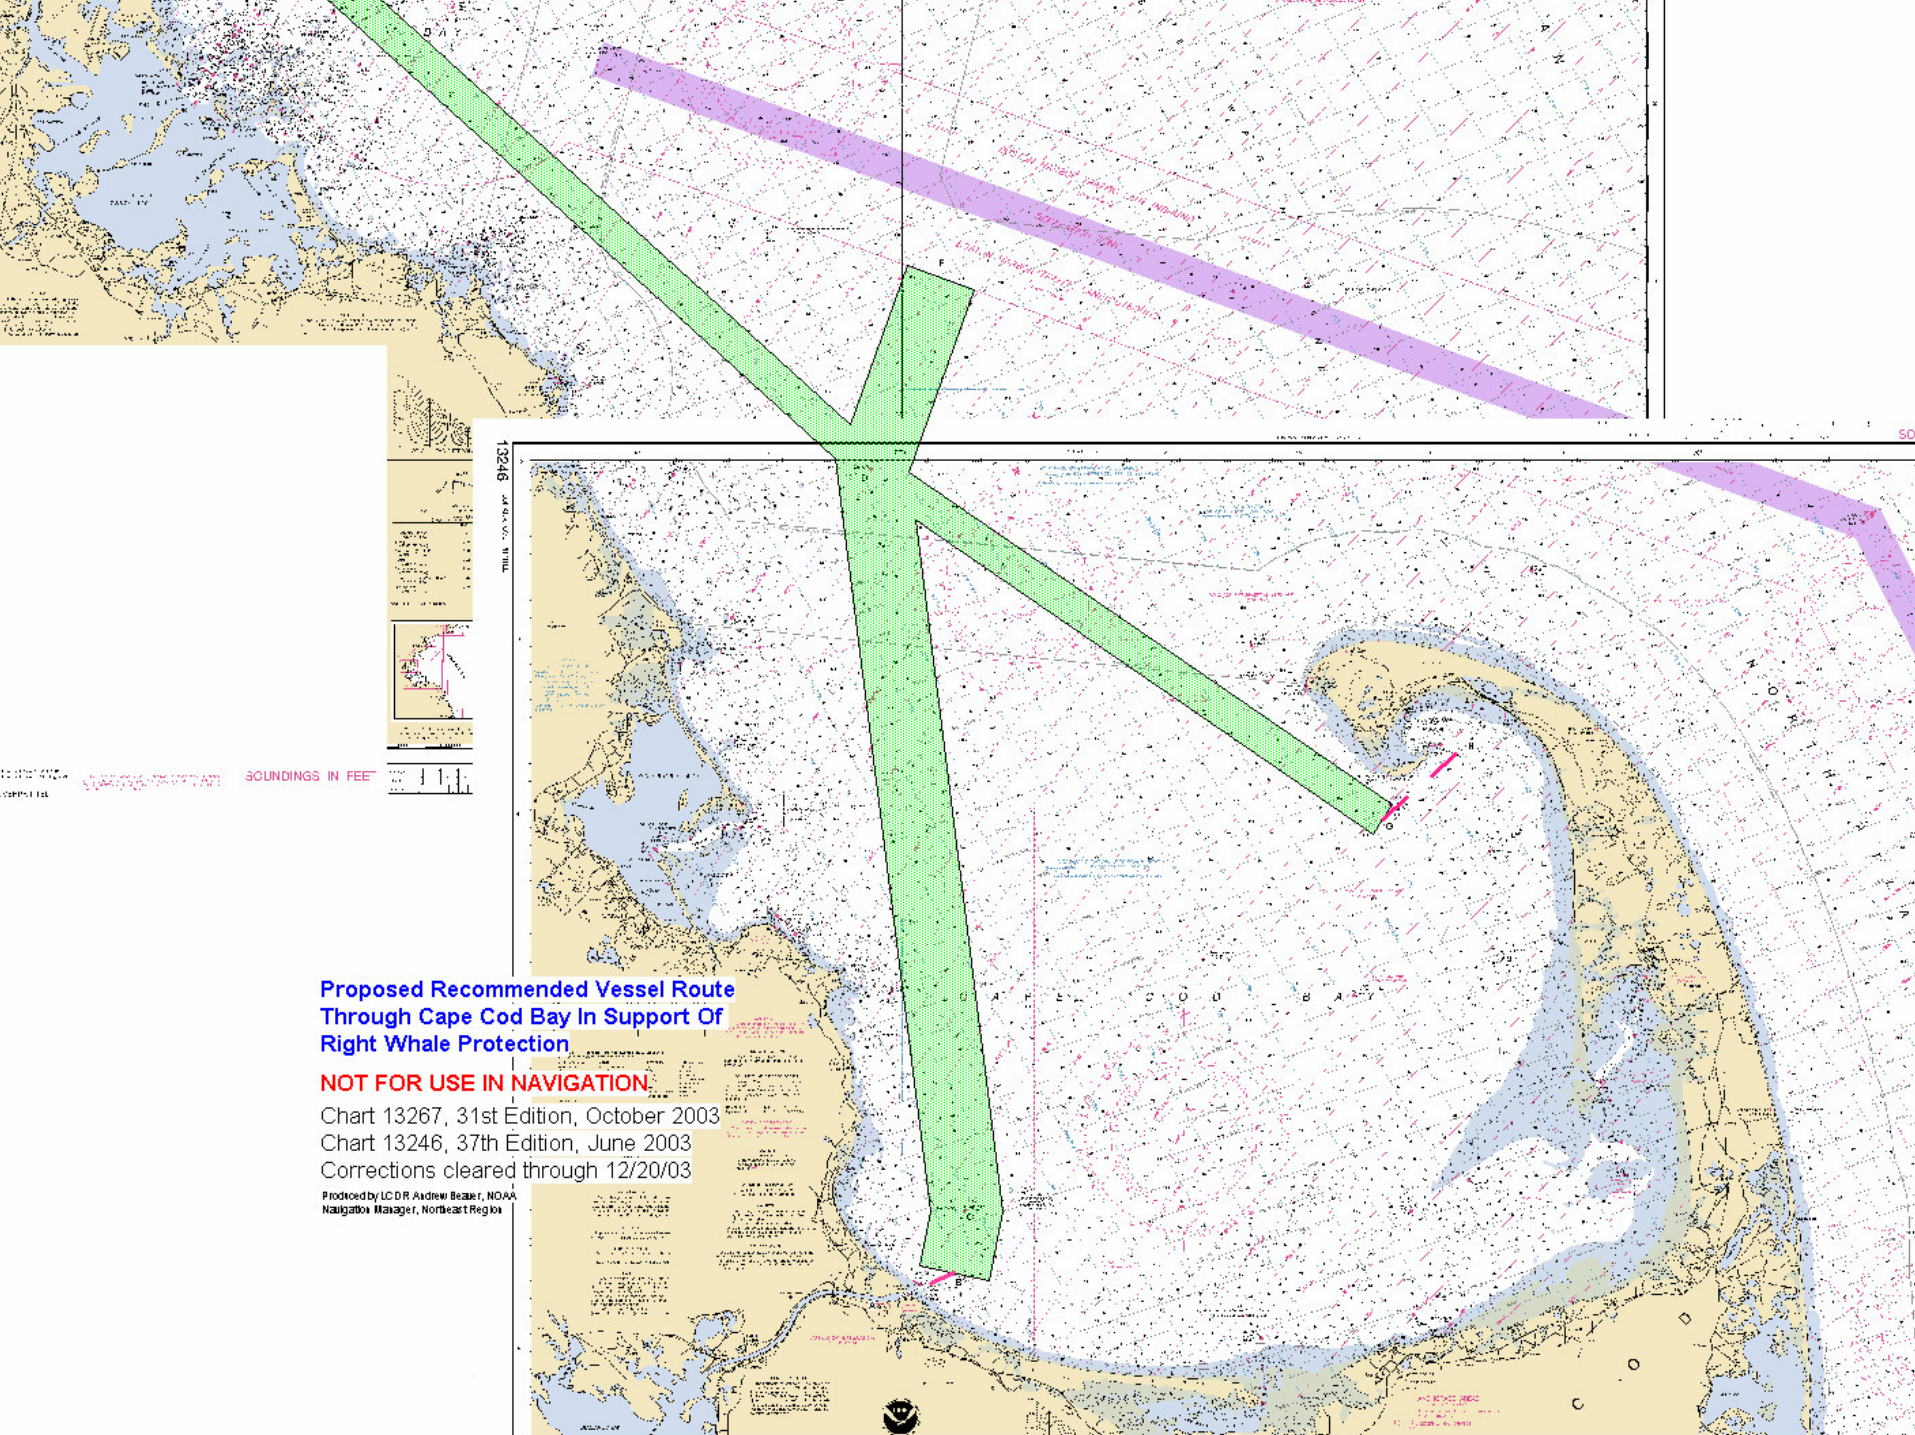

Cape Cod Bay

North Atlantic Right Whale Sightings From the 1970's thru 2002 - March

Cape Cod Bay Measures

- **1 January – 30 April**
- **Seasonal Management Area (SMA)**
- **CCB Right Whale Critical Habitat to western shoreline of Bay**
- **Dynamic management applicable (yr round) outside SMA**
- **Ship route - Boston & ports North**
 - Western side of CCB & outside of critical habitat
 - Sufficient width to route around whales
- **Ship route - Provincetown**
 - Speed restrictions in lanes
 - Lift speed restrictions when “no” whales

**Proposed Recommended Vessel Route
Through Cape Cod Bay In Support Of
Right Whale Protection**

NOT FOR USE IN NAVIGATION
